

DRAFT AGENDA*

REMI:

Rethinking the Environment and Migrant Inclusion

Training in Spain 14-20 November 2021

Day 1

State of International Protection in Europe and on fundamental factors to consider when working with migrants.

Analysis of rights and laws for environmental migrants.

Introducing key issues migrants face upon arrival into a new city, including the impact on mental health, and some of the solutions that practitioners and institutions should have in place when they arrive

Day 2

Literacy classes and methodologies. Spanish system of Adult Education with particular focus on migrants' opportunities. The different programs implemented and their results.

The process for job seeker.

Day 3

Education key role when it comes to integration and inclusion. Key concepts will be active citizenship, intercultural competences and the role of adult education in supporting inclusion. Examples of best practices in the Spain and some workshops ideas

Day 4

Role of Universities as Sustainable Actors in Institutional Integration: how expanding access to university, by recognizing migrants' qualifications increases the potential of migrants to contribute to the socio-economic progress of the receiving country and thus avoid marginalization

Day 5

Go out and take a look at the wide human diversity that make Seville an extraordinary social experiment + visiting a local NGO and an adult education centre that provide course for migrants. Final evaluation and feedback session.

***please note that this programme can be subject to changes due to trainers availability, participants profiles and covid restrictions that may be in place at the time of the training.**
